

WELCOME

MISSION

It is our goal that every student in the KIPP Tulsa Showtime Marching Band develops a lifelong appreciation for the value of music in his/her life. We want each and every student to become the most proficient musician and performer that he/she personally is capable of. We realize however, that some of our students will enjoy music as listeners much more often than as performers after he/she leaves our program.

We hope to instill a strong sense of self-discipline, self-motivation, and perseverance toward excellence in everything they do. Excellence is our quest; rules are the vehicle, which gives us freedom to move toward our quest. From the performance stand point, we want them to gain the self confidence to know there is nothing they can't achieve, no obstacle they can't overcome, if they are dedicated to utilize all their talents and hard work.

Through their social relationships within the band, we want them to develop life long memories and friendships that are bonded by the adversity they will face and overcome together. Most of all, we want each student to be able to view the band as an experience of a lifetime.
